Proposal Engineer

RE:	**Question & Answer**
Contract ID:	DN11632473
County:	Macon
Letting Date:	September 13, 2016

A bidder has posed the following question about the above contract:

Will flaggers be required in Macon County Long Arm Mowing contract?

The answer is as follows:

Per the contract proposal, traffic control is considered incidental to the long arm mowing. Traffic control will be required, where field conditions dictate; please reference the NCDOT January 2012 Roadway Standard Drawings. The Engineer may also establish the need for flagging operations, as field conditions dictate.

Please insert this letter into the addendum section of the proposal and sign the verification. Thank you for your attention to this matter.
