# A MESSAGE FROM THE COMMISSIONER OF THE NORTH CAROLINA DIVISION OF MOTOR VEHICLES

The mission of the North Carolina Division of Motor Vehicles is to deliver quality driver and motor vehicle services, promote highway safety and furnish timely and accurate information. We accomplish these goals by providing stellar customer service, enforcing motor vehicle laws and maintaining the integrity of official DMV records.

This Division and its many partners, including the Governor's Highway Safety Program, continue to emphasize and promote safety. We encourage drivers to change their habits and assist with the national goal of reducing motor vehicle crashes and the severity of injuries on our state highways. However, many drivers still create dangers by ignoring the rules of the road.

In 2016, reportable traffic crashes increased by 6.3 percent. The number of fatalities also increased by 4.4 percent compared to those in 2015. Motorcyclist deaths decreased by 7.4 percent; pedal-cyclist deaths also decreased, down 16.7 percent from 2015. Increases were noted in the number of pedestrians killed in motor vehicle crashes, up 1.5 percent in 2016. Unfortunately, the number of crashes involving teens increased by 4.8 percent over 2015. Additionally, crashes involving teens who were speeding also increased by 1.3 percent.

As you study these statistics, we invite you learn about the types of actions that contribute to motor vehicle deaths. Spread the word to all you know that activities like speeding or texting while driving have disastrous consequences. And, being distracted by devices from a cell phone to a navigational device take your attention away from safe driving habits. We encourage you to help us make North Carolina a safer place to drive, bicycle and walk.

\* A reported crash includes all crashes received by the DMV that occurred on public highways and streets even if it did not meet the reporting threshold. A crash may involve more than one truck type. If this has occurred, the crash is counted in both truck types.

According to the DMV-349 Instructional Manual which was revised October 15, 2015, the following vehicle types are defined as Commercial Motor Vehicles: Commercial Bus, School Bus, Single Unit Truck (3 or more axles), Truck/Tractor (i.e. bobtail), Tractor/Semi-trailer, Tractor/Doubles, Unknown Heavy Truck and Firetruck.
