1. The following are questions received about the Solicitation and the State's response to those questions:

Question #	Vendor Question	State's Response
1	Is an NC general contractor's license required, or is NCDOT prequalification under Work Code 016607 sufficient?	No, An NC General Contractor's License is not required for mowing services. However, NCDOT prequalification is required, and the firm's approved work codes must include Work Code 016607 - Mowing.
2	What is the process and timeline for obtaining the required prequalification?	Please refer to the Contractor Prequalification section on page 7 of the proposal for detailed information, including links to the prequalification process and estimated processing times. Since bids open on November 18, interested firms are encouraged to contact Prequalifications Management directly at prequal@ncdot.gov as soon as possible to help expedite the review process.
3	Is there any previous award information you could share, including the winning contractor and contract amount?	Please submit request for this information via Public Records Request. https://www.ncdot.gov/news/public-records/Pages/public-records-request.aspx
