2. Below is the response to questions submitted regarding the above referenced Invitation for Bid:

Vendor Question	State Response
It states the vendor is to furnish and deliver fill to Onslow county but page under purpose says it is for state truck pick up. I assume this means that state trucks will come to a mine site to pick up and we will not need to put freight to a specific site with NCDOT. Is that correct?	1.0 Purpose and Background Vendor to provide Fill Sand for State Truck Pick Up to the Department of Transportation, Onslow County Maintenance on an as needed basis. 4.6 Delivery State Truck pick up to be used at in designated counties that meets NCDOT January 2018 Standard Specifications for Road and Structures
