

4.0 Help

There are two Help buttons available to get additional information to resolve issues.

Step	Instruction	Image
4.1	On the Log On page, - access Password Help, - Update your email address, or - select Help for more information.	
4.2	On the Contractor webpage, Click on the Help tab to access a page with Helpful information.	
4.3	From the Getting Started page, you can access - detailed instructions - a FAQ list (or PDF) to help with common issues.	<p>FHWA 1391 Form – Getting Started!</p> <p>Contractors on Federal-aid projects must submit an Annual EEO Report each July for the duration of the project, indicating the number of minorities, women, and non-minority group employees currently engaged in each work classification and training program required by the contract.</p> <p>Click here for detailed Instructions on completing the Form. Click here to Log On and complete the FHWA Form 1391. Click here to access the FAQ Search List. Click FAQ's to access and download a PDF (updated weekly).</p>
4.4	If you have other questions, email . . .	<p>ConstructionHelp@ncdot.gov</p>
