Good Morning,

IMD Staff has built a survey to determine procurement needs for our transit agencies. This survey is designed to capture your input so that IMD can determine what statewide contracts we should pursue and details we should include in our solicitations. While no questions are required, the more details available, the better we can help your agency obtain what you need. This survey will be open until close of business Friday May 24th. Please click on the link below:
