## **ANNOUNCEMENT: EARLY CALL FOR PROJECTS & UNIFIED GRANT APPLICATION (UGA) RELEASE**

The Integrated Mobility Division (IMD) will release the newly developed Unified Grant Application (UGA) Process with the FY24 Call for Projects on April 4, 2022, and host trainings in March.

The UGA is a new grant application platform which includes a 3-part application process, consisting of application-specific phases.

The UGA newly redesigned application platform process:

- Streamlines the application process by having all programs contained in one application file to download;
- Pre-register, prepare documentation, and navigate to individual grants without the need to download additional programs;
- Early FY2024 open call for projects on Monday, April 4, 2022 - To prepare for the 3-part approach and additional time built in to plan for the grants and prepare and submit supporting documents.

Several training webinars for the Call for Projects have been scheduled in March to review the program and changes. The FY 2024 grant applications will be posted on the IMD website ***Monday, April 4th and will be due on or before Friday, October 7th.***
