Importance: High

Good afternoon everyone. The eligibility period for the DHHS CARES Act vaccine funding disbursed to our transit systems earlier this year ended on September 30, 2021. We have an obligation to return unspent funds to DHHS and have begun the process of completing the final review and approval of claims for trips performed up through September 30, 2021 to determine the amount of unspent funds, if any.

If you have claims not yet submitted that qualify for this funding please and the time period, submit them through SmartSheet no later than COB, Wednesday, November 10th. IMD will review all eligible claims and then begin the process of sending invoices for returning unspent DHHS CARES Act vaccine funding.

Thank you.
Carolyn
