Good Morning Transit Partners,

In order to determine the true amount of DHHS CARES Vaccine funds leftover from our partnership with DHHS to transport citizens to Vaccines, we are sending out the following survey with questions that needs to be answered by every system that received funding for Vaccine Trips. 100% participation in this survey is required or any unused DHHS Cares Vaccine funds may be invoiced after July 15th. Once we have determined the amount left, as we discussed in the last Transit Call, we hope to be able to use the funding for similar transit needs, if possible.

Please continue to submit your 'new' data and claims entries for vaccines until we tell you otherwise.
