Dear Transit Director, this e-mail is to announce the FY24 Combined Capital application is now open in EBS. All Combined Capital applications which are “**In Process by SR**” status have the revisions incorporated into them, transit directors may continue to use that application and complete it. Transit directors who did not have the opportunity to open an application before it was closed will create a new application.

The FY24 Combined Capital application is on the Fiori platform as are the other applications, claims, and change requests. To assist you as you complete your application, a written technical guide and tutorial video will be available on our Connect under the Unified Grant Application tab site next week.

If you have questions on completing the Capital application please contact your Regional Grant Specialist (RGS) for assistance. The link to the RGS assignment map is: <https://connect.ncdot.gov/business/Transit/Pages/Regional-Support-Map.aspx>. You can also e-mail me at [cmfreitag@ncdot.gov](mailto:cmfreitag@ncdot.gov).

Thank you for your patience as we made the corrections to the Capital application.

Carolyn
