Good morning, the Integrated Mobility Division (IMD) is pleased to announce that the FY27 Unified Grant Application (UGA) program has been released today, April 1, 2025. The UGA application platform process:

- Streamlines the application process by having all programs contained in one application file to download.
- Pre-register, prepare documentation, and navigate to individual grants without the need to download additional programs.
- **Early FY2027 open call for projects on Tuesday, April 1, 2025 – Phase 1:** prepare for the 3-part approach and additional time built in to plan for the grants and prepare and submit initial supporting documents; **Phase 2:** Integrated Mobility Division (IMD) will open EBS applications in July after the first phase of program documents have been completed and submitted, program-specific documents will be required; **Phase 3: applications due in EBS no later than Friday, October 3, 2025** for review and approval by IMD and NCDOT.

Applications included in the UGA on April 1st are:

5311 Admin/Operating	ConCPT
Consolidation/Coordination	
Combined Capital	Travelers' Aid
5310 Capital Purchase of Service	Non-STI Rural Expansion Vehicle
5310 Operating	Urban STI
Mobility Manager (5310)	Urban Advanced Technology
Rural State Operating	Urban State Match
Rural STI	Capital Cost of Contracting

Master Documents, Checklists, and new UGA tools are also posted on the UGA page. The training webinar recordings will be posted when converted to our YouTube channel.

NOTE: The 5303 and TDM programs will open in late-2025 to align with current program timing. Other discretionary calls for projects may be released at other times in the fiscal year.
