Dear Transit Partners,

IMD would like to receive an update on your facility needs and status. It's been several years since we've asked for this update. In order to accurately get this information from you, we have created a quick survey with specific questions we need answered. The information from this will help us keep track of our subrecipients 'Real Property Inventory', which is a requirement for us by the FTA. It will also help us understand your facility needs and timing of needs. This survey is mandatory, so we need all subrecipients of IMD to complete this survey within the next two weeks. The deadline is Monday October 20<sup>th</sup> by Close of Business.

Please click here to complete the survey -

Thank you!
