Dear Transit Partners,

IMD invites you to be part of a 6 month technical assistance program to build on the vision statements and goals created in last summer's Visioning Workshops. The goal of this program will be to develop key solutions for implementation related to *one* priority goal for your agency. Agencies with similar goals will be assigned to small groups to meet monthly with consultants and IMD staff to unpack the details and specific needs related to advancing those goals.

If you would like to participate in this technical assistance program, please [follow this link to book a 30-minute appointment](#) where the project team will review with you your previously submitted vision/goals/materials and confirm which priority goal will be selected for group assignment. The booking link will show available time slots between 1/10/2023 and 1/24/2023 to select from (and note bookings cannot be made within 24 hours).

Please contact Bryan Lopez with questions at [balopez@ncdot.gov](mailto:balopez@ncdot.gov).

Thank you,

**Bryan Lopez**  
Regional Planning Manager  
Integrated Mobility Division
