Good Afternoon Transit Partners,

As mentioned on our call this afternoon, NCDOT-IMD is preparing our next Statewide Vehicle Contract call, and we need to hear from our agencies on what you would like to see on the contract.

**IMD's 2026 Statewide Vehicle Contract Specification Survey**

Please complete this survey by **Friday June 27th at Noon.**

After we review the results, we will conduct two workshops in mid-July (dates to be determined) where we will discuss the results and listen to further feedback from you. Please stay tuned for invites to those in the near future.
