Dear Transit Partners,

On this week's Monthly Transit Call (Wednesday, October 8th at 1pm), IMD will be giving a special presentation on Transit Safety and Security instead of our normal updates. The Transit Call will be followed by an email with all of our normal updates and resources we will be sharing on the call. Our agenda for the call this month will be as follows:

- Overview & Importance
- NCDOT Trends
- Available Resources – National and State
- Accident/Incident Reporting Processes
- Conclusion

Additionally, after the meeting, I will be rescheduling the November Meeting from November 12th to November 5th.

Thank you.
