Dear Transit Partners,

The North Carolina Department Transportation – Integrated Mobility Division has updated its State Management Plan (SMP) for administering federal funds. This document is available for public review and comment from October 25, 2021 through November 29, 2021.

The Federal Transit Administration (FTA) requires NCDOT-IMD to develop and maintain a State Management Plan for the federally funded grant programs it administers for the State of North Carolina. This SMP covers the FTA Sections 5310, 5311, and 5339 programs in a single reference document, and is a comprehensive and coordinated document used by NCDOT-IMD, its sub recipients, and the FTA. It also includes IMD’s policies, procedures, and administrative requirements.

Comments on the State Management Plan should be submitted to our [State Management Plan Public Comment Survey](#). You can also submit comments by email to John Vine-Hodge at javinehodge@ncdot.gov or in writing to the North Carolina Department Transportation – Integrated Mobility Division, Attention: John Vine-Hodge, Deputy Director of Planning and Programing, 1550 Mail Service Center, Raleigh, NC 27699-1550.
