The FY24 Combined Capital application is open and available to receive applications in EBS. The deadline to submit the Combined Capital Application in EBS is Thursday, December 1, 2022.

Application highlights include:

- Updated FY24 pricing for capital vehicles and expenses.
- Requested anticipated *Projected Cash Flow* section to estimate how capital funds will be spent throughout the fiscal year.
- Section tabs (i.e., Replacement Vehicles, Baseline Technology, Other Equipment) to assist with navigation through the budget form to reduce the need to scroll through each page to locate desired Capital item

Transit directors were provided the choice to conduct one public hearing for all grants submitted with the Combined Capital application. All grants applied for, and the required local share amounts must be included in the public hearing notice and on the local share certificate.
