**Subject:** RE: NCDOT-IMD Monthly Transit Meeting (2026 Schedule)

---

Good morning All,

We are looking forward to seeing you all at the Monthly Transit Meeting this afternoon at 1:00pm.

During the meeting, we will be announcing a new OpStats Data Collection Form that has been created to make data reporting much easier and more efficient for you as agencies. With the introduction of the new form, we will also be presenting upcoming training webinar dates where we will go into the reporting of OpStats much more in depth.

The webinar dates are as follows:

- Rural:
  - July 16<sup>th</sup>, 10 am
  - July 21<sup>st</sup>, 1 pm
- Urban:
  - July 16<sup>th</sup>, 1 pm
  - July 21<sup>st</sup>, 10 am
- Additional Dates available, if necessary

With the roll out of the new collection form we are currently working with the NCPTA/IMD workgroup to develop new reporting expectations for the OpStats data. I will be talking about these expectations and the need for ridership data on the call, but it can be summarized by saying that collecting ridership data on a more regular basis allows us to understand how our agencies are impacted by changes, both from internal and external factors. This will allow us to be proactive rather than reactive when we are talking strategically at the local, state, and federal level.

Again, I will give more of a description while on the call, but I wanted to give a heads up in case you are not able to make the call. We will also be following the call up with notes to make sure we are all on the same page moving forward.

Thank you and look forward to talking with you soon!

-Brennon
