All, it has come to our attention that not all of our transit systems received the e-mail below that the ROAP and SMAP application deadlines have been extended due to the need for local board approvals before applications can be signed and submitted. IMD has extended the due date of the ROAP and SMAP applications until October 31st, however, if an application can be submitted prior to that time we would greatly appreciate it so we can do our review and approval and prepare for disbursing the funds. With the extension of the application deadline, our disbursement of the funds will be delayed until November.

Thank you for your support as we continue with the ROAP and SMAP application and review process.

Subject: RE: FY 2022 ROAP and SMAP Applications Posted to IMD Website

Good afternoon everyone. We have received numerous replies to the announcement of the ROAP and SMAP applications and the due date of October 1st. Many system have advised us that applications must be presented to county commissioners or authority boards and those meeting dates are after the application deadline. In response to your requests, we are extending the ROAP and SMAP application deadline to October 31st. However, we ask that applications be submitted before the 31st if possible. Our anticipated disbursement of the ROAP and SMAP funds will have to be pushed back to November to accommodate the extended application deadline.

Thank you for your support as we continue with the ROAP and SMAP application and review process.

Subject: FY 2022 ROAP and SMAP Applications Posted to IMD Website

Good afternoon.

This e-mail is to announce the Integrated Mobility Division (IMD) has posted the ROAP and SMAP application packages to the IMD website and in the Documents Library under Rural Operating and Urban grants, respectively. The URLs to help you navigate to the websites are:

<https://connect.ncdot.gov/business/Transit/Pages/Transit-Grants.aspx> (IMD website)

<https://connect.ncdot.gov/business/Transit/Documents/Forms/AllItems.aspx> (Documents Library)

The ROAP and SMAP applications are due by October 1, 2021 and should be uploaded to the EBS system. ROAP funds shall be disbursed in the traditional program allocations in each of the ROAP programs, however, if it is determined that a lump-sum payment can be made to the County, IMD reserves the right to change the method of distributing the funds. SMAP funds will be disbursed in the traditional manner to urban, small-urban, and urban regional fixed route and commuter bus systems. If you have questions, please contact your Regional Grant Specialist, or give me a call at 919-707-4677 or an e-mail at cmfreitag@ncdot.gov.

Thank you.
