Good Morning Transit Partners,

Thank you to all of you that completed the Transit Technology Survey earlier this month as part of IMD's launch of its initiative to procure Statewide Transit Scheduling Software that will increase transit ridership, reduce passenger wait time, and lower costs per trip.

We now invite you to participate in a 60- to 75-minute Workshop that will go over the Transit Technology Survey results and industry trends and best practices around technologies and software, and a Listening Session where we want to hear what transit software technologies you consider essential to your agency's future.

Please select **ONE** of the three Statewide Transit Technology Workshop and Listening Sessions in August to attend. Registration spots for these sessions are limited. If a session is full, please select the other options. Please also share this invitation with individuals in your organization that will be engaged in the use of this new software (IT, scheduling supervisors, current users of your software, maybe even your Transit Advisory Board members). Agencies with multiple participants do not have to attend the same meeting.

Thursday, August 12 @ 12:00 PM:

<https://attendee.gotowebinar.com/register/2320402059137387788>

Monday, August 16 @ 10:00 AM:

<https://attendee.gotowebinar.com/register/8123242900004292364>

Tuesday, August 24 @ 2:00 PM: <https://attendee.gotowebinar.com/register/876540981728015884>

The deadline to sign up for these sessions is Close of Business on Monday, August 9.

Thank you for your time!
