**Attachments:** [image001.png](#)  
**Importance:** High

---

Dear Colleagues,

NCDOT Integrated Mobility Division has launched a survey to gauge the level of service and to determine overall satisfaction with IMD staff efforts to serve as a valuable resource to agency directors and their teams. This survey is being distributed to transit agencies, partners, internal NCDOT units, and other community-based organizations.

The IMD Partner Survey is currently open from March 7-21, 2022, and will take approximately 15-20 minutes to complete. We value your suggestions and request your input to help develop future goals and objectives for IMD and to help shape the future of integrated mobility within our state.

Please click on the link below to access the survey on PublicInput.com. For your convenience, survey results will be compiled and shared with you by the IMD team. Thank you in advance for your participation – we appreciate your time and valuable feedback.
