Good Afternoon,

As you know, the FTA recognizes program income to be gross income (minus the cost of generating program income) earned by the recipient that is directly generated by a supported activity or earned only as a result of federal funds during a period of performance.

If you received Federal Emergency Relief funds from NCDOT-IMD, please complete the smartsheet survey here - <https://app.smartsheet.com/b/form/eb0d2d07359841e3bbbe134f3c9496dd>.

The purpose of the survey is for the Integrated Mobility Division (IMD) to collect information on program income at the transit system level relative to the Federal Emergency Relief funds (CARES, CRRSAA, ARP).

If you have questions on the survey, please contact Beth Gay, Compliance Officer, bmgay@ncdot.gov
