Mrs. Rosemarie Oates  
Director, DCPT  
P.O. Box 950  
Kenansville, NC 28349

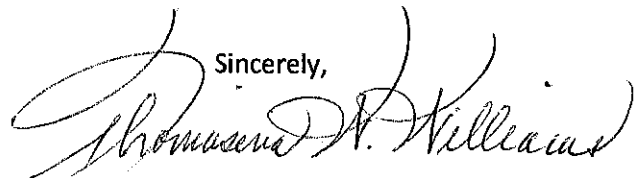

Dear Mrs. Oates:

As a Member of the Duplin County Public Transportation (DCPT) Advisory Board, it is a privilege to write this letter in support of the TIGER Grant application to build a new facility in Duplin County.

Unlike larger cities with its programs/departments located at one (1) site, small towns have their departments/programs spread throughout their townships or its County. Since Duplin County's Board of Commissioners have approved a parcel of land for its location, it would be most convenient to build this facility for all of DCPT's services.

I applaud DCPT for its foresight, and hope the Grant application for funding a new facility meets with TIGER's approval.

Sincerely,

A handwritten signature in cursive script, reading "Thomasina W. Williams". The signature is written in black ink and is positioned above the printed name.

Ms. Rosemarie Oates, Director  
Duplin County Public Transportation  
P.O. Box #950  
Kenansville, NC 28349

Dear Ms. Oates:

I am pleased to offer this letter in support of your effort to obtain funding for a new public transportation facility.

As you know, I served on the feasibility study oversight committee and became well aware of your urgent need of a new terminal for your operation. I recall that your operation was scattered about various locations which created unnecessary inefficiencies and perhaps even some potential liability issues. I am convinced that no other department in Duplin County has a more demonstrated and dire need for a new facility than Public Transportation.

Thank you all for all you do to provide and promote public transportation. Please let me know if I can ever be of assistance.

Sincerely,

A handwritten signature in cursive script that reads "George H. Futrelle".
