

PTD – 5310 Enhanced Mobility for Seniors Formula: Award Process Flow

- Notes:
1. "Type it once" philosophy. This pertains to the need for the entries for the BOT agenda being as brief and concise as possible.
 2. *Revisit this process. This step needs to be data driven, transparent, and input on data.
 3. *Possibility match with State? . . . As a trade for fully allotted op.
 4. *Discuss the MDS role with agendas. Proposing that we develop standards and a "specific wording bank" for all to utilize (spec sheet).
