State Funds

The proper funds are appropriated to NCDOT from the Legislature

Funds are allotted to the sub-recipients in three programs

EDTAP (Elderly and Disabled Transportation Assistance Program)
EMPL (Employment and Transportation Assistance)
RGP (Rural General Public)

Submit the annual report (by July 31st)

Application submittal process performed in EBS (written application, Certified Statement, and application check)

MDS reviews and approves the Annual Report

MDS reviews and approves the application

PTD disburses funds on a set schedule

Funding is allotted based on rural population of each program versus the state population of each program. (*See note #2 below)

MDS reviews and approves the application

Unspent funds

Each county has 30 days to pay the invoice before penalties and interest accrue. After 60 days invoice is referred to DOJ for collection. (*See note #3 below)

End

Notes:
1. Allocation formula is based on criteria outlined in the program overview (ROAP Program Admin. Guide). DOT’s finance division determines how much goes into each program.
2. 50% of the EDTAP funding is divided equally among all counties. Then the remaining 50% is based on the population vs. the state population.
3. Unspent funds to be allocated in the following year’s allotment.
