

Questions	Answers
<p>Are ya'll thinking about webinars to MPO and RPO members and staff about the many grant opportunities that are out there, projects that they may consider in their communities that could possibly be funded and how to apply, sig</p>	<p>We have a few ways currently to notify MPOs and RPOs about funding opportunities. We participate in the NCARPO and NCAMPO quarterly meetings. Additionally, the Regional Planning Team is now fully staffed and beginning to actively participate in MPO TCC meetings and other RPO and MPO meetings throughout the state. This team will also help with technical assistance as local communities and MPOs and RPOs think about potential projects/ideas. Today's quarterly webinar is also open to MPOs and RPOs and we'll continue to share funding updates in these webinars going forward. We are discussing other ways to communicate updates as well, including a possible newsletter starting later this year.</p>
<p>Is the \$2M for Paved Trails Feasibility Studies the same pot of funds as the Complete the Trails Fund - "Funds for connecting trails" (SB105, Sec.14.7.(d)(5)) or is this a distinct fund in IMD?</p>	<p>The Complete the Trails Fund is separate from the \$2M Paved trails feasibility studies funding. The Complete the Trails fund is administered by the Division of Natural and Cultural Resources. The \$2M for paved trails feasibility studies is administered by IMD directly.</p>
