

Questions	Answers
<p>I have a 5311 ADM claim for July 1 thru Nov 30 that is showing FM approved in the claim. My issue is that the funds have not shown up in our bank account yet. Is the "glitch" extended to 5311 ADMIN payment also??</p>	<p>The glitch was only related to 5307. Please provide info to Myra so she can look into this.</p>
<p>We will have our only PASS trainer retiring this spring. We were not able to register anyone due to the quick turnaround for the upcoming classes. Please consider additional training in the near future or have the trainers relax the cap requirement. Otherwise, this training is in danger of not being given which will cause FTA issues.</p>	<p>We are looking into our options to continue this training more in the future. Stay tuned.</p>
<p>I received a phone message from Joey @ LogistiCare which said "We've just been notified NCDHHS & Health Plans contracting effort halts for PTAs effective January 31. Please call and tell me where you are in the process." Our county DHS had a weekly call with the NCDHHS this morning and they have no info about suspending contracts nor any detailed info about LogistiCare buying One Call.</p>	<p>NCDOT is not involved in contracting with LogistiCare.</p> <p>LogistiCare has been renamed. They have not purchased One Call.</p>
