

Questions	Answers
Is it safe to assume we should not be reducing our costs by any grant funds to calculate broker rates?	Yes
Are plexi glass shields now considered a participating expense when we order a new bus? Will it be covered by the FY21 5311 grant?	Yes
Will we receive a letter about the match to share with local Boards?	An email is being drafted. If you need a letter, please contact your Planner to let them know.
Will there be capital match for vehicles for large urban systems? Will there be a call for projects for urban match?	Yes. We will need to get back to you on this.
Can we submit claims for the Cares Act funding without an executed grant agreement in place?	No, please contact your Accounting Specialist as soon as possible. East – Cassandra Wilson West – Inger Bautista
When will we be notified of additional payments for DHHS Claims, being that this funding has to be used by Dec 31? We requested \$191,000 and only received \$72,695, should we expect to receive the balance?	Please let your Planner know where you are on this as soon as possible so we can plan accordingly.
Statement:	PASS Training is 100% virtual
Please share PASS training contact again please	kbedwards2@ncdot.gov
I have replacement vehicles that qualify for FY22 Grant replacement. They are not appearing in the Drop Box in the Capital Application. They qualify as 1000,000 mile +	Please contact your Planner about this.
Topic of state grants - are their plans to establish the Rideshare funding grants for FY22?	Yes, you should see a notice in January 2021.
What are the dates again for the PASS training?	Jan 6 & 7, 2021 Feb 24 & 25, 2021
Is there a final, definitive list of UPTAS/G-Codes that include everything that can be used for CARES claims? I have costs not budgeted in my regular 5311 that I want to submit in CARES on the chance they could be refunded, like shop overhead or dues and subscriptions.	Please send Myra an email about this for clarity.
We have a bus to order for FY21. We would like a filtration unit on it. When will we hear if CARES will pay for it? Currently is not listed as a participating expense.	We are waiting on the answer from the FTA on this and will send out the answer once we receive it.
