Can we use the CARES ADTAP fund on the same type of operating expenses as we use the regular CARES funds for? Such as salaries, fuel, maintenance, and other operating costs?	Yes, it is 5311 funding, so same requirements, eligible expenses.
Do we need to send a POP for the 3rd round of Cares?	Cares Act funding is already extended to June 30, 2022.
If we have not received our FY21 5307 Traditional grant, will that automatically be extended since we are in May?	FTA has not awarded this grant yet. Once it is, it will be extended.
Will the salary study include urban and rural?	Scope is in development. Thank you for your feedback.
Salary study is wonderful. Would the report show both CDL and non-CDL pay?	Scope is in development. Thank you for your feedback.
Was the capital portion of the FY 20 5307 extended since we did not receive funds until 2021?	If you need an extension, please submit to Myra and Beth.
I'm not sure if you covered ROAP funding or not. Is it still looking promising that this funding will be restored?	
Thanks, Myra. The question about the FY21 5307 was directly related to the communication at the beginning of this session indicating that there wouldn't be any POP extensions this year, so just wanted to verify that we would be able to use the FY21 5307 funds.	
Has a decision been made about submitting the FY22 5307 grant? If possible, we would request that the FY22 grant (or at least the capital portion) be submitted.	No decision yet. We are working on this.
It is really difficult to receive all invoices from vendors, process for payment, and then do a reimbursement by July 30th. In reality what will happen is that we will have expenses that do not get reimbursed because of vendors being slow billing us.	Please get the bulk of your expenses in by July 30 th . If something comes in after, we will honor it. Do not mark Final Invoice, if you do have additional expenses after July 30 th .
Vehicles not yet delivered are not likely to be delivered. Is NCDOT doing an across the board	We have already completed a blanket extension until Dec 30, 2021 for vehicles. If you need an

POP or does each system need to request a POP extension for vehicles that have already been approved and ordered?	extension on equipment, please submit a POP extension to Myra and Beth.
What about lettering and logos?	That is within your vehicle budget, so that has been extended.
