

Questions	Answers
Who is funding this at this point? (Vaccine Trips)	If you have trips to vaccines and no longer have DHHS Cares funds, you can use your CARES funds for these trips. If you no longer have those funds, please contact us so that we can discuss solutions.
Has the deadline for spending been extended past the end of September	Yes, however we have asked for an extension through the end of the year. We are still waiting on a response and will let you know the answer when we know.
Can you please share with Health Departments that transit employees (especially Operators!) ARE AT-RISK? Small community health departments often do not understand that.	<p style="text-align: right;">1:14 PM</p> <p>Urland, Douglas W: Thank you and we'll be sure to communicate it!</p> <p style="text-align: right;">1:15 PM</p> <p>Angela Bryant - Asst Sec. Equity & Inclusion NCDHHS: Thanks you for having US and doing the good work of moving "us" where we need to go.</p> <p style="text-align: right;">1:15 PM</p> <p>Fry Sosne, Erin: Thank you all! My email is erin.fry.sosne@dhhs.nc.gov if you have any questions or ideas.</p>
For ROAP, is the MOA still required? Is there a final draft available?	The purpose of the MOA in the draft ROAP application package was to allow for retaining unspent funds for FY22 but we have not finalized that we are going to do that this year.
Can the items on your calendar be save to our calendars (Outlook)?	Yes, for SmartSheet Licensed Users, but I will look into this and get back to you.
Are the avg./high/low pay rates by type of position FT Driver, PT Driver, Dispatch, Safety Officers, Admin Staff, Transportation Directors, etc. included in the study that will be released?	Yes
I have to hop off for the afternoon. Could someone follow up with me tomorrow on the 20 million in CARES funding questions?	Pam DiGiovanni: Yes Charles, we will follow up
Will there be new propane options with the new LTV contract?	Randy - Yes, the is a specification in the IFB for vendors to bid on propane conversion options
One suggestion to consider with the workforce issue discussion... See if a coordinating effort is worth including the public school systems. They are also in major shortcoming, and there may be opportunities to attract operators in particular	

geographies by combining job opportunities/pay/benefits/ etc.	
Is there any information regarding the 5307 transition to Direct Recipients.	We will have more details on the Urban/Small Urban Monthly meeting on Oct 19.
