| <p>We had to have all of our staff complete HIPAA training for the Medicaid brokers. Is that sufficient or will we need to do additional?</p> | <p>This is to align with the brokers requirements. Nothing additional is needed.</p> |
| <p>Chris, Do you have timeline for release of that contract bid? It was a discussion point yesterday with our NCPTA business partners and suppliers.</p> | <p>David: Currently we are hoping the bid will be posted within the next month or so with contract awards taking place before the close of Q2. Supply chain issues may conflict with that timeline, but I will make sure to keep updating during the Urban/Rural systems calls. If you'd like to discuss further, please feel free to reach out to me at 919-707-4696.</p> |
| <p>The Business Guide, when updated, will be a valuable tool for us. The references to the circulars when applicable are so helpful!</p> <p>Please include in the business guide, a records disposition section</p> | |
| <p>Is the definition of what constitutes "Program Income" the same for CARES related services as it is for services funded by normal grant funds?</p> | <p>Yes, definition is unchanged.</p> <p>Only difference is how it's tracked.</p> |
| <p>CARES revenue is program income?</p> | |
| <p>Chris: You might want to consider posting updated information so companies that are considering doing business in North Carolina are aware of where things stand. Beyond the vehicles, there are numerous companies who produce some item within the vehicles.</p> | <p>David: Once we have firm information about the timeline, we will make it public and notify any potential vendors that the bid is forthcoming.</p> |
