## FY25 Vehicle Order Forms

- Should be distributed no later than 8/23/24
- Currently processing price increase amendments to the existing NCDOT contract “54-SG-05062022”
  - Roughly a 3-5% increase in pricing for base model vehicles as well as participating priced options
  - FY26 Combined Capital application has been adjusted to reflect the budget amount that will be needed for systems to procure vehicles as well as commonly requested options
- Vendors currently under contract:
  - Model 1 (formerly Creative Bus Sales)
  - Interstate Transportation Sales
  - Palmetto Bus Sales
- Vehicle types covered
  - Raised Roof vans (mid-roof Ford Transit 150 Connects as well as high-top roof Ford Transit 350s)
  - 20', 22', and 25' LTVs
- Vehicle types outside of the NCDOT contract will need to be procured competitively through either independent solicitation or potentially by identifying an FTA/NCDOT compliant purchasing schedule/state contract to utilize

# Procurement

Starting in the FY26 Combined Capital Application cycle, IMD will begin requesting a documented independent cost estimate for any capital line items

- Used to assess what you would expect to pay for goods or services, based on reliable sources such as:
  - Paid historical prices (prior projects)
  - Industry standard (from a price catalog, etc...)
  - Market survey
  - Informal request from suppliers or manufacturers
- **Systems using the NCDOT Agency-specific contract for raised roof vans and LTVs as their vehicle procurement method are not obligated to use the ICE form; minivans and buses are NOT covered under the NCDOT contract**
- **Projects under \$10,000 are not required to use the NCDOT-IMD ICE form as their “formal” ICE; you will still need to document for your records how you determined pricing to be fair and reasonable**
- Will be collected during the UGA document submittal process (due 10/4/24)
  - Reviewed by IMD Procurement staff for compliance
- Further detailed instruction along with a sample ICE form has been distributed along with Combined Capital Applications
  - Please feel free to contact Chris Dodson, Procurement Manager for further questions
