After the Census data comes in, will the 5 year allocations for 5311 be updated to reflect the census data?	Yes, it may be some time before we have this data.
There was a previous application for Urban Capital match. Can you provide an update on the status, awards, next steps, etc.	This should go to the BOT in August. We will keep you updated.
Can you provide an update on the State Management plan updates that was contracted to RLS. (R. Garrity)	This is currently still in the process. We will keep you updated.
Transit employee salary survey - is this structured for rural/CT systems, or is it planned to be structured for urban systems and union based employee organizations as well? Please recognize the biggest issue is operator workforce. Thx	Both are included and union employees.
In reference to 1,000 rule.....does this applies to Local Government RETIRED part-time employees. In reference to 1,000 rule for part time employees, are the ACA guidelines "relaxed". Meaning if PT employees work more that 30 hours a week do we have to pay health and dental insurance?	This may be more of an internal discussion with your City or County depending on how benefits are handled. The LGERS question was handled by the Treasury Department, but they do not have anything to do with other benefits.
Isn't the OPSTATS due in August? OPSTATS should be due end of August according to my calendar.	Correct. The annual is due at the end of August.
