On June 10, 2021, the Centers for Disease Control and Prevention (CDC) [announced](#) that it will be amending its Face Mask Order to not require people to wear a mask in outdoor areas of conveyances (if such outdoor areas exist on the conveyance) or while outdoors at transportation hubs. Until CDC can amend the Order, the CDC [announced](#) it will exercise its enforcement discretion to not require wearing a mask in outdoor areas of transportation conveyances (if such outdoor areas exist on the conveyance) or while outdoors at transportation hubs.

CDC continues to recommend wearing of masks in these areas by people who are not fully vaccinated.
