Good Morning Transit Partners,

Welcome to another weekly Transit to Vaccine Digest.

Announcements

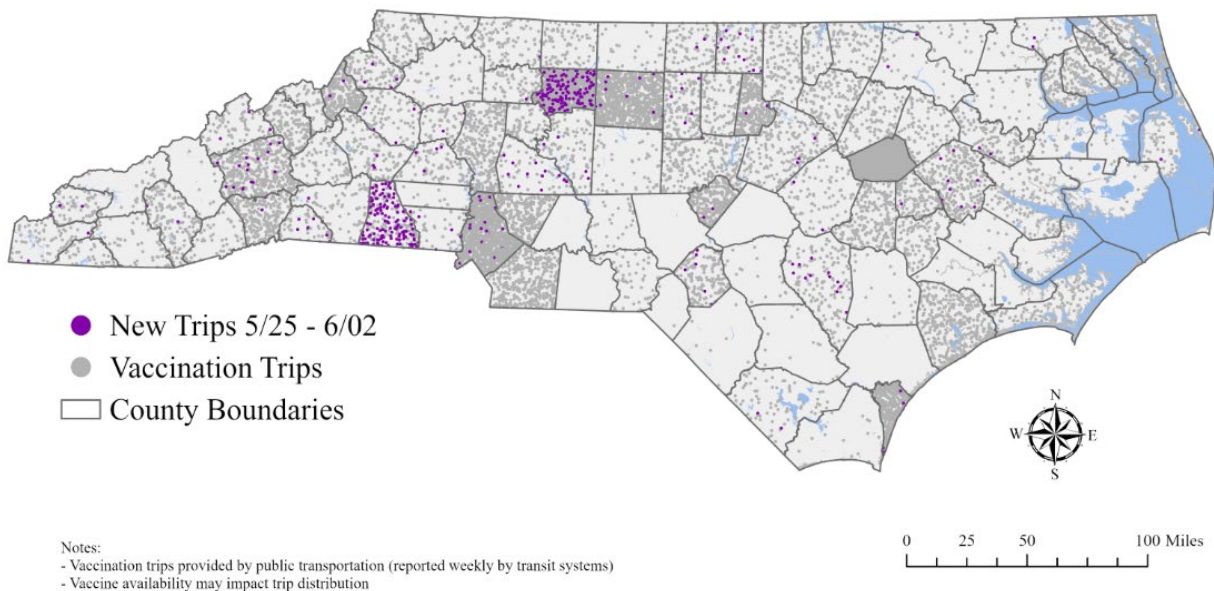

Reminder: The statewide initiative was launched last month by United Way of the Greater Triangle in partnership with Lyft, Blue Cross and Blue Shield of North Carolina (Blue Cross NC), and North Carolina Department of Transportation (NCDOT), in support of the North Carolina COVID-19 Public Health Coalition.

The call center is made possible with support from Mako Documents, Pillar Consulting, and Wilcox Distributions. The entire RIDE UNITED NC program is made possible by investments totaling more than \$925,000 from Bank of America, Blue Cross NC, Blue Cross NC Foundation, Coastal Credit Union, Duke Energy, and Duke University and Duke Health. These donations support the North Carolina COVID-19 Public Health Coalition and will help provide rides statewide.

Please see the attached announcement for more information!!

Weekly Data and Claims Reminder

Remember, even if you have no rides, please still submit a data report for the week. If you are a system that primarily provides fixed route services, if you have any data, even if it's only the number of riders, please submit that.

Please remember to submit your weekly data survey by end of day on Tuesdays. The requested information helps our team understand resource and funding needs and communicate those needs and successes.
