DEPARTMENT OF TRANSPORTATION

ROY COOPER
GOVERNOR

JAMES H. TROGDON, III
SECRETARY

September 1, 2021

MEMORANDUM TO: Prequalified Private Engineering Firms

FROM: E. B. Tharrington, PE
State Construction Engineer

DocuSigned by:
E. Boyd Tharrington, PE
36C8CCE8BB68447...

SUBJECT: Technician Level Reimbursable Ranges

The Department has determined that an 2.0% increase in the technician reimbursable ranges is warranted based on a review of Consumer Price Index data for Civil Engineering Technicians. The increase in reimbursable salaries for Private Engineering Firm technicians is effective September 1, 2021. The new allowable hourly salary ranges for technician level positions are as follows:

Level	Range
Transportation Technician I	\$19.87- \$27.81
Transportation Technician II	\$21.86 - \$30.59
Transportation Technician III	\$24.04 - \$33.65
Transportation Technician IV	\$25.39 - \$38.07
Transportation Technician V	\$28.43 - \$42.64

This information is being provided to Private Engineering Firms to assist in managing reimbursable rates for their personnel. The increase of technician ranges does not automatically change the hourly salaries of the Firm’s personnel. It only changes the range in which the Department compensates the Private Engineering Firm.

When a Private Engineering Firm makes a request for a salary increase and it is approved, the increase may be made effective September 1, 2021 in accordance with the following criteria:

- 1. The salary increase does not exceed 2.0% of the employee’s current reimbursable salary.**
- 2. The requested salary rate does not exceed the maximum state rate for the Transportation Technician classification as included above.**

If you have any questions or require additional information, please contact Ms. Sherell Williams of the Construction Unit at (919) 707-2422 or via e-mail at sherellwilliams@ncdot.gov.
