

SINGLE TRIP PERMIT SERVICES OFFERED

Toll Free Phone #: 1-888-574-6686 / Local Phone #: (919) 814-3700

There are four methods by which single trip permits may be obtained from the Central Permit Office:

1) **Telephone** – Monday-Friday 7am-4pm

- **Call 1-888-574-6683 & press Option 1**
- A \$5.00 transmittal fee plus a \$4.00 credit/debit card processing fee will be charged in addition to the applicable state fee for each individual single trip permit.
- MasterCard, Visa, Discover and American Express are accepted.
- The number of permits that may be requested in a single phone call is limited to four (4).
- Permit requests with a vertical height in excess of 14 feet cannot be processed over the phone – they must either be faxed in or submitted via our online service.
- Permits obtained using this method cannot be faxed to a truck stop or DOT Division Office.
- Any alteration of North Carolina issued permits is prohibited. All agency stamps must be made above or below the contents of the permit.

2) **Fax** – Monday-Friday 8am-5pm

- Permit applications can be found at:
<https://connect.ncdot.gov/business/trucking/Pages/overpermits.aspx>
- Applications received by our office before 2pm are *typically* processed and the permits issued before closing time of the same business day.
- Please submit permit requests with a vertical height in excess of 14 feet at least two business days prior to the effective date for review and processing.
- Incomplete applications will result in the application being faxed back to the requestor and will delay issuance of the permit(s). A resend of an application for more information is not a denial of the request. The requested information should be entered on the returned application and refaxed as soon as possible to our office for processing.
- A \$5.00 transmittal fee plus a \$4.00 credit/debit card processing fee will be charged in addition to the applicable state fee for each individual single trip permit.
- MasterCard, Visa, Discover and American Express are accepted.
- If payment is made using the Direct Fax Escrow Account, a \$5.00 transmittal fee will be charged.
- Any alteration of North Carolina issued permits is prohibited. All agency stamps must be made above or below the contents of the permit.

3) **Online – NCARPS**

- See Opening Online Account Info PDF File under the **Account Management** heading on our website: <https://connect.ncdot.gov/business/trucking/Pages/overpermits.aspx>
- Permits can be ordered at: <https://permitweb.dot.state.nc.us/ncdot/>
- Any alteration of North Carolina issued permits is prohibited. All agency stamps must be made above or below the contents of the permit.
