MEETING NOTES

Attendees were welcomed to the FAV Committee meeting followed by a brief outline of the meeting agenda. Today's meeting included three informal presentations. Jeff Dale from Kimley-Horn and Associates provided an update on the NCDOT CAV Strategic Plan status, Sarah Searcy from NCDOT's Integrated Mobility Division (IMD) spoke about the CASSI program and many opportunities upcoming, and Dr. Ali Karimoddini from N.C. A&T State University discussed the many research applications for automated vehicles including the Autonomous Cooperative Control of Emergent Systems of Systems (ACCESS) Laboratory taking place on campus and its partners.

Following, the group had an opportunity to ride in an automated shuttle at NC A&T's rural test track. The group also had the opportunity to engage with the fleet of automated shuttles in NC

A&T's lab and to ask Dr. Ali Karimoddini's students about the research and technology on the vehicles.

Finally, Amanda Good thanked everyone for their attendance and participation, and the meeting was adjourned.
