STIC Incentive Funds Requested:

Provide a cost estimate that is reflective of the total cost of the proposed work by line item. Each line item should be associated with a completed task, deliverable, or outcome that contributes to the completed funding request.

TASK	ESTIMATED COST
TOTAL:	
*STIC INCENTIVE FUNDS REQUESTED:	
<small>* Because of the requirement for state match, the total must be no more than 80% of the project cost.</small>	

In the event partial funding is available, this information will aid in the development of funding recommendations and provide the applicant the opportunity to fully complete individual components of the funding request.

Will the project be able to advance if partial funding of the request is awarded?

Yes No

Project Schedule:

The anticipated project schedule (assuming the requested STIC Incentive is provided) is required. The schedule should show how the work will be advanced in the fiscal year for which the funds are being requested, and the anticipated completion date of the work. This should directly reference each line item in the cost estimate. Applications should only be submitted for projects that are ready to advance if the minimum partial funding request is met.

Project Administration:

Indicate whether the project is being administered by the Department, metropolitan planning organization, local government or tribal government. This information is needed to determine to whom to allocate the funds if the project is selected for funding. If the project is to be allocated to other than the State Department of Transportation, indicate coordination with State Department of Transportation, the ability to act on behalf of the applicant jurisdiction, and ability to meet Federal funding requirements. If this information is not included in the application, the project will not be considered ready to advance.
