

STIC INCENTIVE FUNDS Application FY 2025

This is the STIC Incentive Funding application for FY25. This application is open until April 25, 2025. Once the window closes, the applications will be evaluated by the NCTIC. If your application moves to the next round, you will be asked to present to the NCTIC in May. Nominees should be told the award amount by June with funding made available in October 2025.

Please note: STIC requires a commitment of 20% from another funding source. You will be asked about this funding source in the application.

You must complete this application once you start it. To see what is needed for the application, return to the NCTIC site (<https://connect.ncdot.gov/groups/NCSTIC>) and look for the PDF version of the application (for information only). Only applications submitted through this form will be evaluated.

* Required

Project Title and Contact Information

Project Title: *

Requesting Unit: *

Applicant Name: *

Email *

EDC Innovation:

If your STIC project relates to an Every Day Counts (EDC) initiative from FHWA, please identify which one. For information on the EDC initiatives, please return to the NCTIC site or visit the EDC page on FHWA's website.

- EDC7 – Next-Generation TIM: Integrating Technology, Data, and Tracking
- EDC7 – Strategic Workforce Development
- EDC7 – Nighttime Visibility for Safety
- EDC7 – Integrating GHG Assessment and Reduction Targets in Transportation Planning
- EDC7 – Enhancing Performance with Internally Cured Concrete (EPIC2)
- EDC7 – EPDs for Sustainable Project Delivery
- EDC7 – Rethinking DBE for Design-Build
- EDC6 – Crowdsourcing for Advancing Operations
- EDC6 – e-Ticketing and Digital As-Builts
- EDC6 – Targeted Overlay Pavement Solutions (TOPS)
- EDC6 – UHPC for Bridge Preservation and Repair
- EDC6 – Virtual Public Involvement (VPI)

Project Abstract

Briefly describe project work that is to be completed under this request, the project purpose and benefit to the state, and whether this is a complete project or part of a larger project with prior investment. It is important that your project abstract succinctly describes how this specific request for STIC Incentive Funding will be used to complete your project.

Describe Project Abstract: *

Description of Proposed Work

Describe the scope of work that is to be completed with this funding request, whether this is a complete project or part of a larger phased project, how it will have a statewide impact in making the innovation a standard practice in your state. Only include work that is eligible for STIC Incentive Funding.

Describe Proposed Work: *

STIC Schedule and Budget

In this section, you will describe the individual tasks associated with this project and the schedule and budget for each task.

Task 1 *

Describe the individual task that is to be completed for this project.

Schedule *

Describe the length of time (in months) that is needed to complete this task.

Budget *

Include the cost associated with this task item. Enter dollar amount (\$0.00)

Do you need another task *

Yes

No

Task 2

Task

Describe the individual task that is to be completed for this project.

Schedule

Describe the length of time (in months) that is needed to complete this task.

Budget

Include the cost associated with this task item. Enter dollar amount (\$0.00)

Do you need to add another task?

Yes

No

Task 3

Task

Describe the individual task that is to be completed for this project.

Schedule

Describe the length of time (in months) that is needed to complete this task.

Budget

Include the cost associated with this task item. Enter dollar amount (\$0.00)

Do you need to add another task?

Yes

No

Task 4

Task

Describe the individual task that is to be completed for this project.

Schedule

Describe the length of time (in months) that is needed to complete this task.

Budget

Include the cost associated with this task item. Enter dollar amount (\$0.00)

Do you need to add another task?

Yes

No

Task 5

Task

Describe the individual task that is to be completed for this project.

Schedule

Describe the length of time (in months) that is needed to complete this task.

Budget

Include the cost associated with this task item. Enter dollar amount (\$0.00)

Do you need to add another task?

Yes

No

Task 6

Task

Describe the individual task that is to be completed for this project.

Schedule

Describe the length of time (in months) that is needed to complete this task.

Budget

Include the cost associated with this task item. Enter dollar amount (\$0.00)

Do you need to add another task?

Yes

No

Task 7

Task

Describe the individual task that is to be completed for this project.

Schedule

Describe the length of time (in months) that is needed to complete this task.

Budget

Include the cost associated with this task item. Enter dollar amount (\$0.00)

Do you need to add another task?

Yes

No

Task 8

Task

Describe the individual task that is to be completed for this project.

Schedule

Describe the length of time (in months) that is needed to complete this task.

Budget

Include the cost associated with this task item. Enter dollar amount (\$0.00)

Do you need to add another task?

Yes

No

Task 9

Task

Describe the individual task that is to be completed for this project.

Schedule

Describe the length of time (in months) that is needed to complete this task.

Budget

Include the cost associated with this task item. Enter dollar amount (\$0.00)

Do you need to add another task?

Yes

No

Task 10

Task

Describe the individual task that is to be completed for this project.

Schedule

Describe the length of time (in months) that is needed to complete this task.

Budget

Include the cost associated with this task item. Enter dollar amount (\$0.00)

Task Totals

Total of all Estimated Cost *

Enter dollar amount (\$0.00)

Total Length of Time *

Length of time (in months)

STIC Incentive Funds Requested: *

Because of the requirement for state match, the total must be no more than 80% of the project cost. Enter dollar amount (\$0.00)

In the event partial funding is available, will the project be able to advance if partial funding of the request is awarded? *

This information will aid in the development of funding recommendations and provide the applicant the opportunity to fully complete individual components of the funding request.

Yes

No

If Yes -

Identify which components are critical to be funded in order to start the project or move it forward.

If No -

Explain why.

Commitment of Other Funds

Please provide a description of where the additional funding (minimum of 20% of the total cost) is coming from, including when the funding will be available. STIC Incentive Funding is typically available in October.

Other Funds listed here: *

Project Administration

Indicate whether the project is being administered by the Department, metropolitan planning organization, local government or tribal government. This information is needed to determine to whom to allocate the funds if the project is selected for funding. If the project is to be allocated to other than the State Department of Transportation, indicate coordination with State Department of Transportation, the ability to act on behalf of the applicant jurisdiction, and ability to meet Federal funding requirements. If this information is not included in the application, the project will not be considered ready to advance.

List Project Administration: *

Additional Questions:

Will funds be obligated and reimbursable for work performed within six months of the date the funds are made available? (Funds are typically available in October.) *

Yes

No

Estimated Obligation Date: *
