Fatalities & Fatal Rate

- **2008 Fatalities: 1,464**
- **2008 Fatal Rate: 1.44 fatalities/100 MVMT**

- **2009 Fatalities: 1,348**
- **2009 Fatal Rate: 1.31 fatalities/100 MVMT**

For 2009, our fatalities dropped by 117 (8.7% decrease) from 2008, VMT increased by 1.11% and the fatality rate decreased by 10%. It should be noted that the total fatalities for 2009 is the lowest number since 1992 and that the fatality rate for 2009 is the lowest it has ever been as far back as we have records (1952).
