

# OPTIONAL SITE VISIT

C-4901A

## Davidson County

Notification is hereby given that all interested contractors will have an opportunity between 1:00 PM and 3:30 PM in the afternoon following the completion of the May 31, 2013 mandatory pre-bid meeting to visit the railroad project site with railroad flagging protection. The site visit opportunity is non-mandatory. Note that hard hat, boots, safety glasses, and safety vest will be required for this site visit. The field rendezvous and safety briefing location will be provided at the pre-bid meeting.

Contractor's interested in attending the afternoon site visit should confirm their intention to attend by sending an email to [specs@ncdot.gov](mailto:specs@ncdot.gov) with the number of attendees.
