

OPTIONAL SITE VISIT

P-5201

Wake County

Notification is hereby given that all interested contractors will have an opportunity, following the completion of the December 4, 2013 mandatory pre-bid meeting, to visit the railroad project site with railroad representatives. The site visit is not mandatory. Note that hard hat, boots, safety glasses, and safety vest will be required for this site visit. The field rendezvous and safety briefing location will be provided at the pre-bid meeting.

Contractor's interested in attending the afternoon site visit should confirm their intention to attend by sending an email to specs@ncdot.gov with the number of attendees.
