

OPTIONAL SITE VISIT

I-2304AE

Davidson County

Notification is hereby given that all interested contractors will have an opportunity between 1:00 PM and 2:30 PM in the afternoon following the completion of the May 7, 2013 mandatory pre-bid meeting to visit the railroad project site with railroad flagging protection. The site visit opportunity is non-mandatory. Note that hard hat, boots, safety glasses, and safety vest will be required for this site visit. The field rendezvous and safety briefing location will be provided at the pre-bid meeting.

Contractor's interested in attending the afternoon site visit should confirm their intention to attend by sending an email to specs@ncdot.gov with the number of attendees.
