

OPTIONAL SITE VISIT

P-5205

Alamance County

Notification is hereby given that all interested contractors will have an opportunity immediately following the August 6, 2013 Mandatory Pre-Bid Meeting to visit the railroad project site with railroad flagging protection. It is estimated that this site visit will be between approximately 3:30 PM and 5:00 PM. The site visit opportunity is non-mandatory. Note that hard hat, boots, safety glasses, and safety vests will be required for this site visit. The field rendezvous and safety briefing location will be provided at the Pre-Bid Meeting.

Contractors interested in attending the afternoon site visit should confirm their intention to attend by sending an email to specs@ncdot.gov with the number of attendees.
