DESIGN-BUILD REQUEST FOR QUALIFICATIONS (RFQ)

The North Carolina Department of Transportation (NCDOT) is requesting interested Design-Build (“DB”) Teams to submit qualifications for Project HB-0001A, which includes the construction of approximately 141 miles of ITS infrastructure along US 64 from I-95 in Rocky Mount to NC 12 in Nags Head, as well as the installation of various ITS devices and connections to existing ITS infrastructure and traffic signals along the route in multiple counties.

Interested parties should send a request, **by e-mail only**, to rfq_package_request@ncdot.gov for a formal package detailing the requirements for submitting a Statement of Qualifications. The following contact information must be included in the e-mail request: company name, physical address, city, state, zip code, contact person, phone number and current e-mail address. The Statements of Qualifications must be submitted, **by e-mail only**, to db_soq_submittal@ncdot.gov by **3:00 p.m. on September 30, 2026**.

All available Project information is on the NCDOT Alternative Delivery link of the website at **connect.ncdot.gov** under “*Bidding & Letting*”. Project information, including each project’s anticipated scope, is continually being added, so it is advisable to monitor this website for the most up to date information.

Questions related to the RFQ package, or other project related questions, should be sent via email to **altdelivery@ncdot.gov**. For tracking purposes, questions will **only** be answered through email requests. When making requests by email, it is advisable to request a return receipt for your records.
