RE: Announcement of Best-Evaluated Proposer

The North Carolina Department of Transportation has received Statement of Qualifications (SOQ) for Progressive Design-Build services on this project. The Department's selection committee has evaluated the SOQ's based on the criteria established in the Department's Request for Qualifications (RFQ), including the proposer's team qualifications, key personnel, project experience, project approach, quality and safety programs.

The Department has determined that the best-evaluated proposer is:

Branch Civil, Inc. / HDR Engineering, Inc.

The Department selected this best-evaluated proposer on January 27, 2025.
