**NCDOT AUTOMATING ACTIONABLE ROAD ANOMALIES (AARA) FOR
TRAVELER INFORMATION
REQUEST FOR QUALIFICATIONS (RFQ)**

The North Carolina Department of Transportation (NCDOT) is requesting experienced proposers interested in providing services necessary to develop a system that provides automated, actionable alerts about roadway anomalies on North Carolina roadways in Divisions 6 and 14. The proposed system, Automating Actionable Road Anomalies (AARA), seeks to provide hands-free, eyes-free alerts to motorists through existing smartphone applications and navigation systems.

Interested parties should send a request, **by e-mail only**, to rfq_package_request@ncdot.gov for a formal package detailing the requirements for submitting a Statement of Qualifications. The following contact information must be included in the e-mail request: company name, physical address, city, state, zip code, contact person, phone number and current e-mail address. The Statements of Qualifications must be submitted, **by e-mail only**, to db_soq_submittal@ncdot.gov by **3:00 p.m. on July 11, 2024**.

All available Project information is on the NCDOT Alternative Design link of the website at www.ncdot.gov under "*Business*". Project information, including each project's anticipated scope, is continually being added, so it is advisable to monitor this website for the most up to date information.

Technical questions related to the RFQ package, or other project-related questions, should be sent via e-mail to altdelivery@ncdot.gov. For tracking purposes, questions will **only** be answered through e-mail requests. When making requests by e-mail, it is advisable to request a return receipt for your records.
