NCDOT MULTIMODAL CONNECTED VEHICLE PILOT
REQUEST FOR QUALIFICATIONS (RFQ)

The North Carolina Department of Transportation (NCDOT) is requesting experienced contractors interested in providing turnkey solution for the Multimodal Connected Vehicle Pilot (MMCVP). The turnkey solution will include upgrading existing infrastructure to support connected vehicle technology, supplying connected vehicle applications including pedestrian and transit signal priority applications, as well as installing the necessary backbone to collect data that will be used to evaluate the connected vehicle technology.

Interested parties should send a request, **by e-mail only**, to rfq_package_request@ncdot.gov for a formal package detailing the requirements for submitting a Statement of Qualifications. The following contact information must be included in the e-mail request: company name, physical address, city, state, zip code, contact person, phone number and current e-mail address. The Statements of Qualifications must be submitted, **by e-mail only**, to db_soq_submittal@ncdot.gov by **4:00 p.m. on July 6, 2022**.

All available Project information is on the NCDOT Design-Build link of the website at www.ncdot.gov under "*Business*". Project information, including each project's anticipated scope, is continually being added, so it is advisable to monitor this website for the most up to date information.

Technical questions related to the RFQ package, or other project related questions, should be sent via email to designbuild@ncdot.gov. For tracking purposes, questions will **only** be answered through email requests. When making requests by email, it is advisable to request a return receipt for your records.
