**Design and Construction (LS):** *Design and Construction* will be paid for as lump sum. No measurement will be made. Work will include all material, labor and equipment to complete all of the work required by the contract excluding those specific contract unit price items listed above. Work will include all preconstruction activities including, but not limited to, design, permitting, utility coordination services and other preconstruction services, regardless of the final design, bridge length, foundation length, or number of interior bents. Work will also include all other construction required by the contract including, but not limited to, erosion and sediment control, earthwork, drainage, pavement, signing, bridge approach fills, approach slabs, removal of the existing structure, and guardrail. Work will also include all construction engineering and inspection, surveying and geotechnical investigative work as may be required by the contract. Work will also include any additional materials and labor needed to provide up to a 1'-6" increase in the existing roadway grade to accommodate other contract requirements, including most notably FEMA compliance.

**Right of Way Acquisition (EA):** *Right of Way Acquisition* services will be paid for per each parcel from which a utility easement and/or right of way is required. Work will include all labor and services necessary to acquire the easements/right of way as required by the Right of Way Scope of Work.

and request another appraisal. The reviewer has the authority to approve appraisals not in excess of \$750,000.00. All appraisals showing compensation in excess of \$750,000.00 shall be referred to the Department's State Appraiser for approval, with the written recommendation of the reviewer. The Design-Build Team's reviewer shall be on the Department's approved state certified reviewer appraiser list. The Design-Build Team may request its state certified review appraiser to be added to the approved state certified reviewer appraiser list, subject to approval by the Department's State Appraiser. Any appraisal over \$1,000,000.00 must have 2 appraisals.

- The Design-Build Team shall provide a right of way certification prior to entering the property.

### **Claims Less Than \$25,000**

For claims with compensation estimated to be less than \$25,000, the Design-Build Team may prepare Right of Way Claim Reports. The reports shall be approved by the Division Right of Way Agent and must be accompanied by documentation showing the source of the estimates.
